

## WHAT IS IT?

AllHere is a 24/7 text messaging system that facilitates two-way communication between families and school districts.

## WHAT DOES IT DO?

It provides a fast, easy way for families to receive answers to frequently asked questions about attendance, grades, transportation, schedules, calendars, and more.

## WHY IS IT USED?

To improve school attendance and foster students' academic success and personal growth.

## HOW DOES IT WORK?

The real-time, two-way texting solution engages families through proactive messaging in their preferred language.

## WHO BENEFITS?

The customer service support not only benefits students and families but allows educators more time to focus on hands-on instruction.
